NEOZEN PHARMA

*We Provides
Best Medicines
For Your Healthy Life*

About Us – Neozen Pharma Pvt. Ltd.

Established in 2022, Neozen Pharma Pvt. Ltd. is a fast-growing pharmaceutical company dedicated to delivering excellence in the healthcare sector. Based on a strong foundation of trust, innovation, and quality, we specialize in pharmaceutical wholesale, third-party manufacturing, and PCD franchise distribution on a monopoly basis across India.

With a robust product portfolio of over 150 formulations including tablets, capsules, syrups, dermatological products, and injectables, Neozen Pharma is committed to providing high-efficacy and affordable medicines to improve lives.

Our directors bring with them over a decade of experience in the pharmaceutical industry, empowering the company with deep market insights, strategic expertise, and a vision for sustainable growth. Their leadership ensures that every product that carries the Neozen name reflects superior quality, compliance, and ethical standards.

Whether you're a healthcare provider, distributor, or business partner, Neozen Pharma ensures prompt service, consistent product availability, and reliable support through every step of your journey with us.

Message from the Director

“At Neozen Pharma, we believe that quality is not just a goal — it's our promise. Since inception, our mission has been to deliver safe, effective, and affordable medicines that meet the needs of patients and healthcare providers alike. We are grateful for the trust our partners and customers have shown us.

With over 10 years of experience in the pharma sector, we understand the importance of integrity, timely delivery, and unwavering support. Whether through our wide product range, ethical PCD franchise opportunities, or reliable manufacturing services, we remain committed to excellence.

Thank you for choosing Neozen Pharma. Together, let's build a healthier future.”

Warm regards,
Director
Neozen Pharma Pvt. Ltd.

Nozgesic-P

Acetofenac 100 mg + Paracetamol 325 mg

- Packaging 20x10
- M.R.P Rs. 609.37

INDICATION: Aceclofenac 100 mg + Paracetamol 325 mg tablets are indicated for relief of pain and inflammation in conditions like osteoarthritis, rheumatoid arthritis, ankylosing spondylitis, dental pain, musculoskeletal pain, and post-operative pain.

Nozgesic-SP

Acetofenac 100 mg + Paracetamol 325 mg + Serratiopeptidase 15 mg

- Packaging 10x10
- M.R.P Rs. 1125

INDICATION: Aceclofenac 100 mg + Paracetamol 325 mg + Serratiopeptidase 15 mg tablets are indicated for relief of pain, inflammation, and swelling in conditions like arthritis, trauma, post-operative recovery, dental pain, and musculoskeletal disorders.

Nozgesic-MR

Acetofenac 100 mg + Paracetamol 325 mg + Chlorzoxazone 250 mg

- Packaging 10x10
- M.R.P Rs. 950

INDICATION: Aceclofenac 100 mg + Paracetamol 325 mg + Chlorzoxazone 250 mg tablets are indicated for relief of pain, inflammation, and muscle spasms in musculoskeletal disorders, low back pain, sprains, strains, and other painful muscle conditions.

Nozmont-L

Montelukast Sodium 10 mg + Levocetirizine 5 mg

- Packaging 10x10
- M.R.P Rs. 1125

INDICATION: Montelukast Sodium 10 mg + Levocetirizine 5 mg tablets are indicated for relief from allergic rhinitis, seasonal allergies, sneezing, runny nose, nasal congestion, and chronic asthma by reducing inflammation and allergic symptoms..

Noznim-P

Nimesulide 100 mg + Paracetamol 325 mg

- Packaging 20x10
- M.R.P Rs. 787.50

INDICATION: Nimesulide 100 mg + Paracetamol 325 mg tablets are indicated for relief of mild to moderate pain, inflammation, and fever in conditions like headache, dental pain, muscle pain, osteoarthritis, and post-operative pain. Not for long-term use.

Noznim-Cold

Nimesulide 100 mg + Cetirizine Dihydrochloride 5 mg+ Phenylephrine Hcl 10 mg + Caffeine 30 mg

- Packaging 20x10
- M.R.P Rs. 1499.90

INDICATION: Nimesulide 100 mg + Cetirizine 5 mg + Phenylephrine 10 mg + Caffeine 30 mg tablets are indicated for relief from cold and flu symptoms such as fever, body pain, headache, nasal congestion, sneezing, and allergic symptoms.

Ferinoz-XT

Ferrous Ascorbate 100 mg + Folic Acid 5 mg + Zinc 22.5

- Packaging 10x1x10
- M.R.P Rs. 1735

INDICATION: Ferrous Ascorbate 100 mg + Folic Acid 5 mg + Zinc 22.5 mg tablets are indicated for the prevention and treatment of iron deficiency anemia, especially during pregnancy, lactation, menstruation, or post-surgery recovery. It helps in red blood cell formation, boosts hemoglobin levels, supports fetal development, and enhances immunity and overall vitality.

Nozcold-Plus

Paracetamol 650 mg + Chlorpheniramine Maleate 2 mg + Caffeine 25mg+ Phenylephrine Hcl 5 mg

- Packaging 10x10
- M.R.P Rs. 796.87

INDICATION: Paracetamol 650 mg + Chlorpheniramine Maleate 2 mg + Caffeine 25 mg + Phenylephrine HCl 5 mg tablets are indicated for the relief of cold and flu symptoms, including fever, headache, nasal congestion, body aches, sneezing, and runny nose. Paracetamol reduces fever and pain, Chlorpheniramine relieves allergy symptoms, Phenylephrine decongests nasal passages, and Caffeine enhances alertness.

Ondinoz-4

Ondansetron 4 mg

- Packaging 10x10
- M.R.P Rs. 515.60

INDICATION: Ondansetron 4 mg tablets are used to prevent and treat nausea and vomiting associated with chemotherapy, radiotherapy, and post-surgical recovery by blocking serotonin (5-HT₃) receptors in the brain and gut.

Nozlev-5

Levocetirizine Dihydrochloride 5 mg

- Packaging 20x10
- M.R.P Rs. 1068.74

INDICATION: Levocetirizine Dihydrochloride 5 mg tablets are indicated for the treatment of allergic rhinitis (seasonal and perennial), chronic idiopathic urticaria (hives), and other allergic conditions. It effectively relieves symptoms such as sneezing, runny nose, itchy or watery eyes, nasal congestion, and skin rashes, providing long-lasting, non-sedating antihistaminic action.

NZ-Q10

Acetyl L-Carnitine, Alpha Lipoic Acid, Astaxanthin, Cholecalciferol, Co-Enzyme Q10, Folic Acid, Piperine L-Arginine, Lycopene, Methylcobalamin, Omega 3 Fatty Acid, Pyridoxine Hydrochloride sodium Selenite, Zinc Sulphate Elemental Selenium, Tocopheryl Acetate, IU Tablets

- Packaging 10x1x10
- M.R.P Rs. 5800

INDICATION: Indicated for neuropathy, fatigue, cardiovascular support, cognitive decline, and immune deficiency. Beneficial in diabetic nerve pain, poor circulation, oxidative stress, and age-related weakness. Supports brain, heart, and nerve health, enhances antioxidant defense, improves metabolism, and boosts overall vitality in chronic illness or elderly individuals.

Nozflix-200

Ofloxacin 200 mg

- Packaging 10x10
- M.R.P Rs. 609.37

INDICATION: Ofloxacin 200 mg tablets are indicated for the treatment of various bacterial infections, including respiratory tract infections, urinary tract infections (UTIs), skin and soft tissue infections, gastrointestinal infections (like infectious diarrhea), and sexually transmitted diseases. It is a broad-spectrum fluoroquinolone antibiotic effective against both Gram-positive and Gram-negative bacteria.

Nozflix-OZ

Ofloxacin 200 mg + Ornidazole 500 mg

- Packaging 10x10
- M.R.P Rs. 1078.12

INDICATION: Ofloxacin 200 mg + Ornidazole 500 mg tablets are indicated for the treatment of mixed bacterial and protozoal infections, especially in the gastrointestinal tract, such as diarrhea, dysentery, gastroenteritis, and pelvic inflammatory disease. Ofloxacin is a broad-spectrum antibiotic, while Ornidazole is effective against anaerobic bacteria and protozoa, offering dual-action therapy.

Nozcal-500

Calcium Carbonate 1250 mg + Vitamin D3 250 IU

- Packaging 10x15
- M.R.P Rs. 1100

INDICATION: Calcium Carbonate 1250 mg + Vitamin D3 250 IU tablets are indicated for the prevention and treatment of calcium and vitamin D3 deficiencies, osteoporosis, osteomalacia, rickets, and to support healthy bone and teeth development. It is especially useful in pregnancy, lactation, elderly, and individuals with poor dietary intake or malabsorption of calcium and vitamin D.

Nozrun-SP

Diclofenac Pot. 50 mg +
PCM 325 mg +
Serratiopeptidase 10 mg

- Packaging 10x10
- M.R.P Rs. 999

INDICATION: Diclofenac Potassium 50 mg + Paracetamol 325 mg + Serratiopeptidase 10 mg tablets are indicated for the relief of pain, inflammation, and swelling in conditions like musculoskeletal disorders, arthritis, dental pain, post-operative pain, backache, sprains, and sports injuries. This combination offers anti-inflammatory, analgesic, antipyretic, and anti-edematous effects for fast and effective relief.

Nozpred-4

Methylprednisolone 4 mg

- Packaging 10x10
- M.R.P Rs. 703.12

INDICATION: Methylprednisolone 4 mg tablets are indicated for the treatment of inflammatory and autoimmune conditions such as arthritis, asthma, allergic reactions, skin disorders, lupus, colitis, and certain respiratory, endocrine, or blood disorders. It is a corticosteroid that helps reduce inflammation, swelling, and immune response, providing fast relief from acute and chronic symptoms.

Ravzith-250

Azithromycin Anhydrous 250 mg

- Packaging 10x6
- M.R.P Rs. 780

INDICATION: Azithromycin Anhydrous 250 mg tablets are indicated for the treatment of bacterial infections such as respiratory tract infections, pharyngitis, tonsillitis, sinusitis, skin and soft tissue infections, otitis media, and certain sexually transmitted infections. It is a macrolide antibiotic that works by inhibiting bacterial protein synthesis, ensuring effective and broad-spectrum antibacterial action.

Ravzith-500

Azithromycin Anhydrous 500 mg

- Packaging 10x3
- M.R.P Rs. 805

INDICATION: Azithromycin Anhydrous 500 mg tablets are indicated for the treatment of moderate to severe bacterial infections, including community-acquired pneumonia, bronchitis, pharyngitis, tonsillitis, sinusitis, skin and soft tissue infections, and sexually transmitted infections like chlamydia. It is a macrolide antibiotic that provides broad-spectrum coverage with once-daily dosing.

Nozmox-CV 625

Amoxicillin 500 mg + Clavulanic Acid 125 mg

- Packaging 10x10
- M.R.P Rs. 2085.40

INDICATION: Amoxicillin 500 mg + Clavulanic Acid 125 mg tablets are indicated for the treatment of bacterial infections such as respiratory tract infections, urinary tract infections, skin and soft tissue infections, sinusitis, otitis media, dental infections, and bone and joint infections. Clavulanic acid enhances the effectiveness of amoxicillin by inhibiting beta-lactamase enzymes produced by resistant bacteria.

Nozcef-200

Cefixime Trihydrate 200 mg

- Packaging 10x10
- M.R.P Rs. 1114

INDICATION: Cefixime Trihydrate 200 mg tablets are indicated for the treatment of bacterial infections such as upper and lower respiratory tract infections, urinary tract infections, otitis media, pharyngitis, tonsillitis, sinusitis, and uncomplicated gonorrhoea. It is a third-generation cephalosporin antibiotic that works by inhibiting bacterial cell wall synthesis, offering broad-spectrum antibacterial action.

Nozrun-P

Diclofenac Potassium 50 mg + Paracetamol 325 mg

- Packaging 20x10
- M.R.P Rs. 787.50

INDICATION: Diclofenac Potassium 50 mg + Paracetamol 325 mg tablets are indicated for the relief of mild to moderate pain, inflammation, and fever associated with conditions such as musculoskeletal pain, arthritis, dental pain, backache, headache, dysmenorrhoea, and post-operative pain. The combination provides fast and effective analgesic and anti-inflammatory action with improved tolerability.

Dronoz-M

Mefenamic Acid 250 mg + Drotaverine HCl 80 mg

- Packaging 4x5x10
- M.R.P Rs. 1593.74

INDICATION: Mefenamic Acid 250 mg + Drotaverine HCl 80 mg tablets are indicated for the treatment of painful spasmodic conditions such as dysmenorrhoea (menstrual pain), abdominal cramps, renal colic, biliary colic, and gastrointestinal spasms. Mefenamic acid provides anti-inflammatory and analgesic effects, while Drotaverine acts as a smooth muscle relaxant, offering fast and effective relief from spasmodic pain.

Nozmyth-OD

Mecobalamin 1500 mcg + Alpha Lipoic Acid 100 mg + Pyridoxine HCL 3 mg + Folic acid 1.5 mg + Thiamine Mononitrate 3mg

- Packaging 10x1x10
- M.R.P Rs. 2600

INDICATION: Mecobalamin 1500 mcg + Alpha Lipoic Acid 100 mg + Pyridoxine HCl 3 mg + Folic Acid 1.5 mg + Thiamine Mononitrate 3 mg tablets are indicated for the treatment of neuropathy, diabetic neuropathy, nerve pain, numbness, and neurological disorders. This combination supports nerve regeneration, improves nerve conduction, and provides antioxidant protection, enhancing overall neurological health.

Nozmyth-OD Plus

Mecobalamin 1500 mcg + Alpha Lipoic Acid 100 mg + Pyridoxine HCL 3 mg + Folic acid 1.5 mg + Thiamine Mononitrate 3mg + Pregabalin 75 mg

- Packaging 10x1x10
- M.R.P Rs. 2650

INDICATION: Mecobalamin 1500 mcg + Alpha Lipoic Acid 100 mg + Pyridoxine HCl 3 mg + Folic Acid 1.5 mg + Thiamine Mononitrate 3 mg + Pregabalin 75 mg tablets are indicated for the treatment of neuropathic pain, diabetic neuropathy, sciatica, neuralgia, and fibromyalgia. This combination helps repair nerve damage, reduce nerve pain, improve nerve function, and offers antioxidant and neuroprotective support.

Nozgesic-P

Aceclofenac 100 mg + Paracetamol 325 mg

- Packaging 20x10
- M.R.P Rs. 1218.74

INDICATION: Aceclofenac 100 mg + Paracetamol 325 mg tablets are indicated for the relief of pain, inflammation, and fever associated with conditions such as osteoarthritis, rheumatoid arthritis, ankylosing spondylitis, dental pain, backache, musculoskeletal disorders, and post-operative pain. This combination offers effective anti-inflammatory and analgesic action with better gastrointestinal tolerability.

Noz-Joint

Energy-2.00kcal+Carbohydrate-0.300g+Protein-0.010g+Fat-0.000g+Cissus Quadrangularis-50mg+Glucosamine Sulphate-750mg+Chondroitin Sulphate-100mg+Maganese Sulphate-2.5mg+Chromium Sulphate-25mcg+L-Proline-50mg+Vitamine E/Tocopherol-5mg+Vitamin c/Acorbic acid-20mg+Selenium(as sodium selenate)-20mcg+Zinc Sulphate-5mg+L-methionine-50mg+L-Cysteine-50mg+Boron-0.5mg+L-glutamine-50mg+Vitamin D3-5mcg+Copper-0.5mg

- Packaging 10x1x10
- M.R.P Rs. 2650

INDICATION: This tablet is indicated for joint support, bone health, and cartilage regeneration. It helps reduce inflammation, supports mobility, and improves overall joint function. Beneficial in arthritis, osteoporosis, and joint pain. Use as directed by a healthcare provider.

Rabzon-DSR

Rabeprazole Sodium 20mg + Domperidone 10mg

- Packaging 10x10
- M.R.P Rs. 1200

INDICATION: Rabeprazole Sodium 20 mg + Domperidone 10 mg tablets are indicated for the treatment of acid reflux, gastroesophageal reflux disease (GERD), heartburn, indigestion, nausea, vomiting, and functional dyspepsia. Rabeprazole reduces stomach acid production, while Domperidone enhances gastric motility and prevents nausea, offering effective relief from gastric discomfort and acid-related symptoms.

Nozmyth-Plus

Methylcobalamin 1500 mcg + Nortriptyline 10 mg + Pregabalin 75 mg

- Packaging 10x1x10
- M.R.P Rs. 1828.12

INDICATION: Methylcobalamin 1500 mcg + Nortriptyline 10 mg + Pregabalin 75 mg tablets are indicated for neuropathic pain, diabetic neuropathy, nerve damage, sciatica, and chronic pain conditions by improving nerve function and reducing pain signals.

Nozgesic-TH

Aceclofenac 100 mg + Thiocolchicoside 4 mg

- Packaging 10x10
- M.R.P Rs. 1921.87

INDICATION: Aceclofenac 100 mg + Thiocolchicoside 4 mg tablets are indicated for the treatment of acute musculoskeletal pain, spasms, back pain, cervical and lumbar spondylosis, sciatica, and post-traumatic muscle stiffness. Aceclofenac reduces pain and inflammation, while Thiocolchicoside is a muscle relaxant that relieves muscle spasms, providing fast and effective relief in painful muscular conditions.

Nozcef-O

Cefixime Trihydrate 200 mg + Ofloxacin 200 mg

- Packaging 10x10
- M.R.P Rs. 1950

INDICATION: Cefixime Trihydrate 200 mg + Ofloxacin 200 mg tablets are indicated for the treatment of respiratory tract infections, urinary tract infections, typhoid fever, gastrointestinal infections, and skin and soft tissue infections. This combination offers broad-spectrum antibacterial action, with Cefixime targeting Gram-positive bacteria and Ofloxacin targeting Gram-negative bacteria for enhanced effectiveness.

UDHL-300

Ursodeoxycholic Acid 300 mg

- Packaging 10x1x10
- M.R.P Rs. 3850

INDICATION: Ursodeoxycholic Acid 300 mg tablets are indicated for the treatment of gallstones, primary biliary cirrhosis, and certain liver disorders. They help dissolve cholesterol gallstones and improve liver function. Use under medical supervision.

Nozcold

Paracetamol 325 mg+ Phenylephrine 5mg +Caffeine 25mg+Diphenhydramine Hydrochloride 25 mg

- Packaging 20x10
- M.R.P Rs. 1218.74

INDICATION: Paracetamol 325 mg + Phenylephrine 5 mg + Caffeine 25 mg + Diphenhydramine Hydrochloride 25 mg tablets are indicated for the relief of cold and flu symptoms, including fever, headache, nasal congestion, body ache, sneezing, runny nose, and mild insomnia. Paracetamol reduces fever, Phenylephrine relieves nasal congestion, Diphenhydramine provides antihistamine action, and Caffeine reduces drowsiness.

Nozdef-6

Deflazacort 6 mg

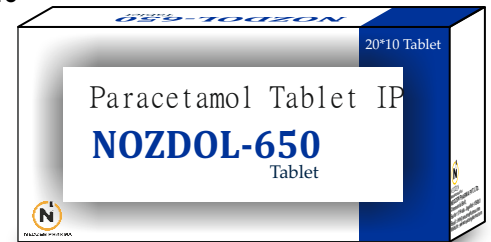

- Packaging 10x10
- M.R.P Rs. 1668.74

INDICATION: Deflazacort 6 mg tablets are indicated for the treatment of inflammation, allergic conditions, autoimmune disorders, and muscular dystrophy. It is a corticosteroid used to reduce swelling and suppress the immune system. Use only under medical guidance.

Nozdol-650

Paracetamol 650 mg

- Packaging 10x15
- M.R.P Rs. 346

INDICATION: Paracetamol 650 mg tablets are indicated for the relief of fever and mild to moderate pain such as headache, toothache, backache, muscular pain, joint pain, menstrual cramps, and post-surgical pain. It acts as an analgesic and antipyretic, providing effective and fast relief by reducing the production of prostaglandins in the brain responsible for pain and fever.

Etonoz-120

Etoricoxib 120 mg

- Packaging 10x10
- M.R.P Rs. 1546.87

INDICATION: Etoricoxib 120 mg tablets are indicated for the treatment of acute and chronic pain and inflammation associated with osteoarthritis, rheumatoid arthritis, ankylosing spondylitis, gout, dental pain, and post-operative pain. It is a selective COX-2 inhibitor that provides effective anti-inflammatory and analgesic action with lower risk of gastrointestinal side effects compared to traditional NSAIDs.

Nozmont-FX

Montelukast Sodium 10 mg + Fexofenadine 120 mg

- Packaging 10x1x10
- M.R.P Rs. 1640.62

INDICATION: Montelukast Sodium 10 mg + Fexofenadine 120 mg tablets are indicated for the treatment of allergic rhinitis (seasonal and perennial) and chronic urticaria (hives). This combination relieves symptoms like sneezing, runny nose, nasal congestion, watery eyes, and itching. Montelukast is a leukotriene receptor antagonist, and Fexofenadine is a non-sedating antihistamine, providing effective and long-lasting allergy relief.

Nozpod-200

Cefpodoxime Proxetil 200 mg

- Packaging 10x10
- M.R.P Rs. 2240

INDICATION: Cefpodoxime Proxetil 200 mg tablets are indicated for the treatment of bacterial infections such as upper and lower respiratory tract infections, urinary tract infections, skin and soft tissue infections, sinusitis, pharyngitis, tonsillitis, and uncomplicated gonorrhoea. It is a third-generation cephalosporin antibiotic that works by inhibiting bacterial cell wall synthesis, ensuring broad-spectrum antibacterial action.

Nozmox-LB 625

Amoxicillin 500 mg + Clavulanic Acid 125 mg

- Packaging 10x1x10
- M.R.P Rs. 3200

INDICATION: Amoxicillin 500 mg + Clavulanic Acid 125 mg tablets are indicated for the treatment of respiratory tract infections, urinary tract infections, sinusitis, otitis media, skin and soft tissue infections, dental infections, and bone and joint infections. Clavulanic acid inhibits beta-lactamase enzymes, enhancing the effectiveness of amoxicillin against resistant bacterial strains.

Nozpod-CV

Montelukast Sodium 10 mg + Levocetirizine 5 mg + Ambroxol Hydrochloride 75 mg (SR) Tablets

- Packaging 10x1x6
- M.R.P Rs. 2150

INDICATION: Cefpodoxime 200 mg + Clavulanic Acid 125 mg tablets are indicated for the treatment of bacterial infections such as respiratory tract infections, urinary tract infections, skin and soft tissue infections, sinusitis, and otitis media. Clavulanic acid inhibits beta-lactamase enzymes, enhancing the effectiveness of cefpodoxime against resistant bacteria, offering broad-spectrum antibacterial action.

Nozpred-8

Methylprednisolone 8 mg

- Packaging 10x10
- M.R.P Rs. 820

INDICATION: Methylprednisolone 8 mg tablets are indicated for the treatment of inflammatory and autoimmune conditions such as asthma, severe allergies, arthritis, lupus, skin disorders, ulcerative colitis, and certain endocrine or respiratory diseases. It works by suppressing inflammation and immune response, providing effective relief from swelling, pain, and allergic reactions in acute and chronic conditions.

Nozmont-Am

Montelukast Sodium 10 mg + Levocetirizine 5 mg + Ambroxol Hydrochloride 75 mg (SR) Tablets

- Packaging 10x1x10
- M.R.P Rs. 1650

INDICATION: Montelukast Sodium 10 mg + Levocetirizine 5 mg + Ambroxol Hydrochloride 75 mg (SR) tablets are indicated for the treatment of allergic rhinitis, chronic cough, bronchitis, asthma, and respiratory tract infections with mucus and allergy symptoms. This combination helps relieve nasal congestion, sneezing, cough, chest tightness, and enhances mucus clearance for better breathing and respiratory comfort.

Nozlid-600

Linezolid 600mg

- Packaging 10x1x10
- M.R.P Rs. 3700

INDICATION: Linezolid 600 mg tablets are indicated for the treatment of serious bacterial infections caused by Gram-positive bacteria, including pneumonia, skin and soft tissue infections, and infections caused by resistant strains like MRSA (Methicillin-resistant Staphylococcus aureus) and VRE (Vancomycin-resistant Enterococci). It works by inhibiting bacterial protein synthesis, ensuring effective control of resistant infections.

Nozlin-PLUS

Citicoline 500MG + Piracetam 800mg

- Packaging 10x1x10
- M.R.P Rs. 8500

INDICATION: Citicoline 500 mg + Piracetam 800 mg tablets are indicated for the treatment of cognitive disorders, memory loss, stroke recovery, dementia, Alzheimer's disease, and other neurodegenerative conditions. Citicoline supports neuroprotection and brain cell repair, while Piracetam enhances cerebral blood flow and cognitive function, helping improve memory, focus, and mental alertness.

Bounvestin-500

UNIVESTIN 500MG (Scutellaria Baicalensis and Acacia Catechu)

- Packaging 10X1X10
- M.R.P Rs. 3500

INDICATION: UNIVESTIN 500 mg (Scutellaria baicalensis and Acacia catechu extract) tablets are indicated for the management of joint pain, inflammation, and stiffness associated with osteoarthritis, rheumatoid arthritis, and other musculoskeletal conditions. It is a clinically studied, plant-based anti-inflammatory complex that helps improve joint flexibility, mobility, and overall joint health naturally and safely.

Legament-QC

Glucosamine Sulphate(250.0 Mg) + Chondroitin Sulfate(200.0 Mg) + Collagen Peptide(150.0 Mg) + Curcumin(100.0 Mg) + L Proline(100.0 Mg) + L Lysine(100.0 Mg) + L Glutamine(50.0 Mg) + Vitamin C / Ascorbic Acid(35.0 Mg) + Quercetin(25.0 Mg) + Iron(10.0 Mg) + Zinc(10.0 Mg) + Bambusa(7.5 Mg) + Niacinamide (5.0 Mg) + Vitamin B6 / Pyridoxine(1.4 Mg) + Manganese Sulphate(1.0 Mg) + Vitamin B12 / Mecobalamin / Cynocobalamin / Methylcobalamin(1.0 Mcg)

- Packaging 10X1x10
- M.R.P Rs. 3700

INDICATION: This tablet is indicated for joint pain, osteoarthritis, cartilage repair, and bone health. It supports connective tissue, reduces inflammation, promotes joint flexibility, and enhances overall musculoskeletal strength with added vitamins and minerals.

Nozrun-MR

Diclofenac Potassium 50 mg + PCM 325 mg + Chlorzoxazone 250 mg

- Packaging 10x10
- M.R.P Rs. 980

INDICATION: Diclofenac Potassium 50 mg + Paracetamol 325 mg + Chlorzoxazone 250 mg tablets are indicated for the treatment of acute musculoskeletal pain, muscle spasms, back pain, sprains, strains, and post-operative pain. Diclofenac and Paracetamol provide anti-inflammatory and analgesic effects, while Chlorzoxazone acts as a muscle relaxant, offering fast relief from pain and muscle stiffness.

Nozrox-500

Cefuroxime Axetil 500 mg

- Packaging 10x1X6
- M.R.P Rs. 3510

INDICATION: Cefuroxime Axetil 500 mg tablets are indicated for the treatment of bacterial infections such as respiratory tract infections, urinary tract infections, skin and soft tissue infections, sinusitis, pharyngitis, tonsillitis, and Lyme disease. It is a second-generation cephalosporin antibiotic that works by inhibiting bacterial cell wall synthesis, offering broad-spectrum antibacterial activity.

Bilaxtin-MB

Montelukast Sodium 10 mg + Bilastin 20mg

- Packaging 10x10
- M.R.P Rs. 1750

INDICATION: Montelukast Sodium 10 mg + Bilastin 20 mg tablets are indicated for allergic rhinitis, urticaria, sneezing, runny nose, itching, and nasal congestion. They help control allergy symptoms and reduce inflammation in respiratory allergies.

Nozspas-M

Mefenamic Acid 250 mg + Dicyclomine HCl 10 mg

- Packaging 4X5X10
- M.R.P Rs. 1840

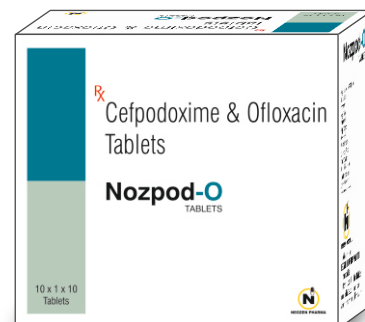

INDICATION: Mefenamic Acid 250 mg + Dicyclomine HCl 10 mg tablets are indicated for the treatment of abdominal pain, menstrual cramps (dysmenorrhea), intestinal colic, and spasmodic pain associated with irritable bowel syndrome and gastrointestinal disorders. Mefenamic acid provides anti-inflammatory and analgesic effects, while Dicyclomine acts as a smooth muscle relaxant, offering fast relief from pain and spasms.

Nozpod-O

Cefpodoxime 200 mg + Ofloxacin 200 mg

- Packaging 10x1x10
- M.R.P Rs. 2800

INDICATION: Cefpodoxime 200 mg + Ofloxacin 200 mg tablets are indicated for the treatment of respiratory tract infections, urinary tract infections, typhoid fever, gastrointestinal infections, skin and soft tissue infections, and other mixed bacterial infections. This broad-spectrum combination offers enhanced antibacterial action against both Gram-positive and Gram-negative bacteria, ensuring effective infection control.

Nozrox-CV

Cefuroxime Axetil 500 mg + Clavulanic Acid 125 mg

- Packaging 10x1x10
- M.R.P Rs. 6180

INDICATION: Cefuroxime Axetil 500 mg + Clavulanic Acid 125 mg tablets are indicated for the treatment of respiratory tract infections, urinary tract infections, skin and soft tissue infections, sinusitis, and tonsillitis caused by beta-lactamase-producing bacteria. Clavulanic acid inhibits beta-lactamase enzymes, enhancing the effectiveness of cefuroxime against resistant bacterial strains.

Nozcef-CV

Cefixime 200 mg + Clavulanic Acid 125 mg

- Packaging 10x1X6
- M.R.P Rs. 1608

INDICATION: Cefixime 200 mg + Clavulanic Acid 125 mg tablets are indicated for the treatment of upper and lower respiratory tract infections, urinary tract infections, skin and soft tissue infections, otitis media, and sinusitis caused by beta-lactamase-producing bacteria. Clavulanic Acid inhibits beta-lactamase enzymes, enhancing the effectiveness of Cefixime against resistant bacterial strains.

Nozcef-LB

Cefixime Trihydrate 200 mg + Lactic Acid Bacillus 60000 Million Spores

- Packaging 10x10
- M.R.P Rs. 1489

INDICATION: Cefixime Trihydrate 200 mg + Lactic Acid Bacillus 60,000 Million Spores tablets are indicated for the treatment of bacterial infections such as respiratory tract infections, urinary tract infections, and typhoid fever, while helping to restore gut flora. Cefixime is a broad-spectrum antibiotic, and Lactic Acid Bacillus prevents antibiotic-associated diarrhea and gastrointestinal disturbances.

Nozrun-Forte

Rutoside Trihydrate 100 mg +
Trypsin 48mg + Bromelaine 90 mg
+Diclofenac Potassium 50 mg

- Packaging 10x1x10
- M.R.P Rs. 2500

INDICATION: Rutoside Trihydrate 100 mg + Trypsin 48 mg + Bromelain 90 mg + Diclofenac Potassium 50 mg tablets are indicated for the treatment of inflammation, pain, and swelling associated with trauma, surgery, arthritis, musculoskeletal disorders, and sports injuries. The combination offers anti-inflammatory, analgesic, antioxidant, and anti-edematous effects, promoting faster healing and pain relief.

Napradom-500

Naproxen 500 Mg + Domperidone 10 Mg

● Packaging 10x10

● M.R.P Rs. 1700

INDICATION: Naproxen 500 mg + Domperidone 10 mg tablets are indicated for the treatment of migraine attacks, headache, and associated symptoms like nausea and vomiting. Naproxen provides effective pain and inflammation relief, while Domperidone enhances gastric motility and prevents nausea and vomiting, offering comprehensive relief in migraine and related conditions.

Nozcold-Advance

Aceclofenac 100 mg + Paracetamol 325 Mg+Cetirizine10mg+Phenylephrine 5mg+Caffeine 25mg

● Packaging 20X10

● M.R.P Rs. 1406

INDICATION: Aceclofenac 100 mg + Paracetamol 325 mg + Cetirizine 10 mg + Phenylephrine 5 mg + Caffeine 25 mg tablets are indicated for the treatment of cold, flu, sinusitis, allergic rhinitis, and associated body pain, nasal congestion, headache, sneezing, and fever. This combination provides anti-inflammatory, analgesic, antihistaminic, decongestant, and stimulant effects, offering comprehensive symptom relief.

Levonoz-500

LEVOFLOXACIN 500MG

● Packaging 10x10

● M.R.P Rs. 1024.80

INDICATION: Levofloxacin 500 mg tablets are indicated for the treatment of bacterial infections such as respiratory tract infections (pneumonia, bronchitis), urinary tract infections, sinusitis, skin and soft tissue infections, and prostatitis. It is a broad-spectrum fluoroquinolone antibiotic that works by inhibiting bacterial DNA replication, offering effective treatment against Gram-positive and Gram-negative bacteria.

Cefunish-250

Cefuroxime Axetil 500 mg

● Packaging 10x10

● M.R.P Rs. 2600

INDICATION: Cefuroxime Axetil 500 mg tablets are indicated for the treatment of bacterial infections of the respiratory tract, ear, nose and throat, urinary tract, skin, and soft tissues. It is effective against a wide range of susceptible bacteria.

PLATONoz - GROW

Carica Papaya (Leaf), Tinospora Cordifolia (Giloy), Kiwi Fruit Extract & Goat Milk Powder (Dughd) Tablet

● Packaging 10x1X10

● M.R.P Rs. 2450

INDICATION: Carica Papaya Leaf, Tinospora Cordifolia (Giloy), Kiwi Fruit Extract & Goat Milk Powder tablets help support platelet count, boost immunity, reduce fatigue, and aid recovery during dengue, viral infections, and general weakness through natural antioxidant and immune-enhancing effects.

Rabzon-DSR

Rabeprazole sodium 20mg + Domperidone 30mg

- Packaging 10X10
- Packaging 20X10
- M.R.P Rs. 1500

INDICATION: Rabeprazole Sodium 20 mg + Domperidone 30 mg capsules are indicated for the treatment of gastroesophageal reflux disease (GERD), acid reflux, heartburn, dyspepsia, nausea, and vomiting. Rabeprazole is a proton pump inhibitor that reduces stomach acid, while Domperidone is a prokinetic agent that enhances gastric motility and prevents nausea, providing comprehensive relief from gastric discomfort.

Candinoz-200

Itraconazole 200 Mg

- Packaging 10x1X10
- M.R.P Rs. 2520

INDICATION: Itraconazole 200 mg capsules are indicated for the treatment of fungal infections such as aspergillosis, blastomycosis, histoplasmosis, and onychomycosis. It is also used for systemic and superficial fungal infections of skin, nails, and mucous membranes.

Pannoz-DSR

Pantoprazole Sodium 40mg + Domperidone 30mg

- Packaging 10x10
- M.R.P Rs. 1350

INDICATION: Pantoprazole Sodium 40 mg + Domperidone 30 mg capsules are indicated for the treatment of acid reflux, gastroesophageal reflux disease (GERD), heartburn, indigestion, nausea, vomiting, and gastric ulcers. Pantoprazole reduces stomach acid production, while Domperidone improves gastric motility and prevents nausea, offering effective relief from acid-related and upper gastrointestinal symptoms.

Omineo-20

Omeprazole 20 mg

- Packaging 10x15
- M.R.P Rs. 438

INDICATION: Omeprazole 20 mg capsules are indicated for the treatment of acid reflux, gastroesophageal reflux disease (GERD), peptic ulcers, Zollinger-Ellison syndrome, and indigestion. It is a proton pump inhibitor (PPI) that works by reducing the production of stomach acid, providing relief from heartburn, sour stomach, and acid-related damage to the stomach and esophagus.

Ominoz-D

Omeprazole 20 mg + Domperidone 10 mg

- Packaging 10x15
- M.R.P Rs. 1150

INDICATION: Omeprazole 20 mg + Domperidone 10 mg capsules are indicated for the treatment of acid-related disorders such as gastroesophageal reflux disease (GERD), peptic ulcers, and dyspepsia. Omeprazole reduces stomach acid production, while Domperidone enhances gastric motility and helps control nausea and vomiting, providing comprehensive gastrointestinal symptom relief.

Rabzon-LSR

Rabeprazole sodium 20 mg + Levosulpiride 75mg

- Packaging 10x1X10
- M.R.P Rs. 2200

INDICATION: Rabeprazole Sodium 20 mg + Levosulpiride 75 mg capsules are indicated for the treatment of GERD, acid reflux, functional dyspepsia, bloating, indigestion, and gastroparesis. Rabeprazole reduces gastric acid secretion, while Levosulpiride enhances gastrointestinal motility and relieves symptoms like nausea, abdominal discomfort, and fullness, offering effective relief in acid-peptic and motility disorders.

Nozcal-K27

Vitamin K27 100 mcg + Hydroxocobalamin 1.500 mcg + Magnesium Oxide 100 mg + Elemental Boron 1.5 mg + Zinc 7.5 mg + Calcium Carbonate 250 mg + EPA 90 mg + DHA 60 mg

● Packaging 10x1X10

● M.R.P Rs. 2400

INDICATION: Vitamin K2-7 100 mcg + Hydroxocobalamin 1,500 mcg + Magnesium Oxide 100 mg + Elemental Boron 1.5 mg + Zinc 7.5 mg + Calcium Carbonate 250 mg + EPA 90 mg + DHA 60 mg softgel capsules are indicated for bone health, cardiovascular support, joint strength, and cognitive function. This combination helps in calcium absorption, bone mineralization, heart protection, and reduces inflammation.

Neolyco-Plus

Grape Seed Extracts 10mg + Lycopene 5000 mcg+ Lutein 8% 2000 mcg + Betacarotene 750 mcg+ Antioxidant

● Packaging 10X1X10

● M.R.P Rs. 1600

INDICATION: Grape Seed Extract 10 mg + Lycopene 5000 mcg + Lutein 2000 mcg + Beta-Carotene 750 mcg + Antioxidants softgel capsules are indicated for eye health, skin protection, cardiovascular wellness, and cellular defense against oxidative stress. Rich in antioxidants, this formula helps neutralize free radicals, supports vision, boosts immunity, and promotes healthy aging.

NozXvit-Gold

Ginseng 90 mg + Nicotinamide 5 mg + D- Pantothenate Calcium 5 mg + Folic acid 150 mcg + Copper Sulphate 0.5 mg + Manganese Sulphate 0.5 mg + Zinc 10 mg + Multivitamin + Multiminerals + Antioxidants

● Packaging 20x1X10

● M.R.P Rs. 3300

INDICATION: Ginseng, Multivitamins, Multiminerals & Antioxidants softgel capsules help boost physical and mental energy, reduce fatigue, improve immunity, and support overall wellness. Indicated in stress, weakness, vitamin/mineral deficiencies, and recovery from illness or surgery. Enhances metabolic functions and promotes cellular health.

Nozcal-CT

Calcitriol 0.25 mcg + Calcium Citrate 425 mg + Zinc Monohydrate 20 mg + Magnesium 40 mg Calcium Carbonate 250 mg + Calcitriol 0.25 mcg

● Packaging 10X1x10

● M.R.P Rs. 1300

INDICATION: Calcitriol, Calcium Citrate, Calcium Carbonate, Zinc, and Magnesium softgel capsules are indicated for the prevention and treatment of calcium and vitamin D3 deficiency. Supports bone health, treats osteoporosis, osteomalacia, and improves calcium absorption. Beneficial in pregnancy, lactation, postmenopausal women, and elderly patients to maintain strong bones and teeth.

NozXvit-7G

Ginseng 90 mg + Nicotinamide 5 mg + D- Pantothenate Calcium 5 mg + Folic acid 150 mcg + Copper Sulphate 0.5 mg + Manganese Sulphate 0.5 mg + Zinc 10 mg + Multivitamin + Multiminerals + Antioxidants

● Packaging 10x1X10

● M.R.P Rs. 2450

INDICATION: Ginseng, Multivitamin, Multimineral & Antioxidant softgel capsules are indicated for reducing fatigue, boosting energy, enhancing physical and mental performance, and improving immunity. Supports overall health, combats oxidative stress, and is beneficial in stress, weakness, vitamin/mineral deficiency, and recovery from illness or surgery.

Nozcal-CT

Calcitriol 0.25 mcg + Calcium Citrate 425 mg + Zinc Monohydrate 20 mg + Magnesium 40 mg Calcium Carbonate 250 mg + Calcitriol 0.25 mcg

● Packaging 10x1X10

● M.R.P Rs. 1300

INDICATION: Calcitriol, Calcium Citrate, Calcium Carbonate, Zinc, and Magnesium softgel capsules are indicated for the treatment and prevention of calcium and vitamin D3 deficiencies. They help in managing osteoporosis, osteopenia, rickets, and bone disorders. Also beneficial during pregnancy, lactation, menopause, and in elderly patients for maintaining healthy bones and joints.

Evanoz-E-400

Vitamin E 400 IU Softgel Capsules

- Packaging 10X10
- M.R.P Rs. 450

INDICATION: Vitamin E 400 IU Softgel Capsules are indicated for treating and preventing Vitamin E deficiency. They act as powerful antioxidants, protecting cells from oxidative stress. Beneficial for skin health, immune function, cardiovascular health, and reducing muscle cramps. Also used to support reproductive health and delay signs of aging.

Neolyco-L

Lycopene 4mg, Lutein 4mg, Betacarotene 5.17mg, Grape Seed Extract 10mg, Selenium 25mcg, Zinc 10mg Softgel

- Packaging 10X10
- M.R.P Rs. 1200

INDICATION: This Softgel Capsule is indicated for antioxidant support, protecting cells from free radical damage. It helps improve eye health, boosts immunity, supports skin and cardiovascular health, and slows aging. Lycopene, Lutein, and Beta-Carotene promote vision and skin health, while Grape Seed Extract, Selenium, and Zinc enhance cellular defense and immune function.

Nozdef-6

Deflazacort Tablets 6 mg Suspension

- Packaging 30ML
- M.R.P Rs. 75

INDICATION: Deflazacort 6 mg Suspension is indicated for the treatment of inflammation and autoimmune conditions in children, such as asthma, juvenile arthritis, nephrotic syndrome, and allergic disorders. It is a corticosteroid that helps reduce swelling, pain, and allergic reactions by suppressing the immune response. Used under medical supervision for short or long-term therapy.

Nozgesic-P

Aceclofenac 50 mg + Paracetamol 250 mg

- Packaging 60ML
- M.R.P Rs. 95

INDICATION: Aceclofenac 50 mg + Paracetamol 125 mg Suspension is indicated for the relief of mild to moderate pain, inflammation, and fever in children. It is commonly used in conditions like cold, flu, toothache, earache, post-vaccination fever, musculoskeletal pain, and pediatric arthritis. The combination provides effective antipyretic and analgesic action. Use under medical supervision.

Nozflix-MZS

Ofloxacin 50 mg + Metronidazole 120 mg + Simethicone 10 mg

- Packaging 60ML
- M.R.P Rs. 85

INDICATION: Ofloxacin 50 mg + Metronidazole 120 mg + Simethicone 10 mg Suspension is indicated for the treatment of gastrointestinal infections, including amoebiasis, giardiasis, and bacterial diarrhea. It helps relieve symptoms like abdominal pain, bloating, flatulence, and loose stools by targeting infection and reducing gas. Suitable for pediatric use under medical supervision.

Nozmont-L

Montelukast Sodium 4 mg + Levocetirizine 2.5 mg

- Packaging 60ML
- M.R.P Rs. 90

INDICATION: Montelukast Sodium 4 mg + Levocetirizine 2.5 mg Suspension is indicated for the relief of allergic rhinitis, sneezing, runny nose, nasal congestion, and asthma symptoms in children. It works by blocking histamine and leukotrienes, providing effective allergy and respiratory relief. Suitable for pediatric use under physician supervision.

Nozcuf-LS JUNIOUR

Levosulbutamol 0.5 mg + Ambroxol 15 mg + Guaiphenesin 50 mg

- Packaging 60ML
- M.R.P Rs. 75

INDICATION: Levosalbutamol 1 mg + Ambroxol 30 mg + Guaiphenesin 50 mg Suspension is indicated for the treatment of productive cough, bronchitis, asthma, and other respiratory conditions. It helps in thinning and clearing mucus, easing breathing, and relieving chest congestion. Ideal for children with wet cough and airway obstruction under medical guidance.

Nozspas-P

Mefenamic Acid 100 mg & Paracetamol 250 mg Suspension

- Packaging 60ML
- M.R.P Rs. 75

INDICATION: Mefenamic Acid 100 mg & Paracetamol 250 mg Suspension is indicated for relief from mild to moderate pain, fever, toothache, headache, muscle pain, and inflammation in children. It provides effective antipyretic and analgesic action, making it suitable for pediatric use under medical supervision.

Nozcu-DX

Dextromethorphan 10 mg + CPM 2 mg + Phenylephrine 5 mg

- Packaging 60ML
- M.R.P Rs. 70

INDICATION: Dextromethorphan 10 mg + CPM 2 mg + Phenylephrine 5 mg Suspension is indicated for relief from cough, nasal congestion, sneezing, and runny nose associated with common cold, flu, and allergic rhinitis in children. It acts as a cough suppressant, decongestant, and antihistamine to provide multi-symptom cold relief.

Nozcold

Paracetamol 250 mg + Phenylephrine Hcl 5 mg + Chlorpheniramine 2 mg

- Packaging 60ML
- M.R.P Rs. 85

INDICATION: Paracetamol 250 mg + Phenylephrine HCl 5 mg + Chlorpheniramine 2 mg Suspension is indicated for the relief of symptoms associated with the common cold, flu, and allergic rhinitis such as fever, nasal congestion, sneezing, and runny nose. It provides antipyretic, decongestant, and antihistamine action for effective symptomatic relief.

Nozcold-Plus

Paracetamol 250 mg + Phenylephrine Hcl 5 mg + Dextromethorphan 5 mg + Menthol 1 mg + Cetirizine Hydrochloride 2.5mg + Sodium Citrate 25mg

- Packaging 60ML
- M.R.P Rs. 84

INDICATION: Paracetamol 250 mg + Phenylephrine HCl 5 mg + Dextromethorphan 5 mg + Menthol 1 mg + Cetirizine 2.5 mg + Sodium Citrate 25 mg is indicated for relief from cold, cough, fever, nasal congestion, throat irritation, sneezing, and allergic symptoms.

Ibunoz-P

Ibuprofen 100MG + Paracetamol 162.5MG suspension

- Packaging 60ML
- M.R.P Rs. 75

INDICATION: Ibuprofen 100 mg + Paracetamol 162.5 mg Suspension is indicated for the relief of mild to moderate pain and fever in children. It is commonly used for conditions such as toothache, headache, earache, musculoskeletal pain, post-immunization fever, and cold or flu symptoms. The combination provides effective antipyretic and anti-inflammatory action.

Nozcu-DX

Dextromethorphan 10 mg + CPM 2 mg + Phenylephrine 5 mg

- Packaging 100ML
- M.R.P Rs. 120

INDICATION: This syrup is indicated for the relief of dry cough, nasal congestion, and allergic symptoms associated with the common cold, flu, and upper respiratory tract infections. Dextromethorphan suppresses cough, Chlorpheniramine Maleate (CPM) reduces allergy symptoms like sneezing and runny nose, and Phenylephrine relieves nasal congestion by shrinking swollen blood vessels.

Nozcu-LS

Levosulbutamol 1 mg + Ambroxol 30 mg + Guaiphenesin 50 mg

- Packaging 100ML
- M.R.P Rs. 115

INDICATION: Levosalbutamol 1 mg + Ambroxol 30 mg + Guaiphenesin 50 mg Suspension is indicated for the treatment of productive cough, bronchitis, asthma, and other respiratory conditions associated with mucus. It helps relieve chest congestion by thinning and loosening mucus, easing breathing, and relaxing airway muscles for better airflow.

Efzyme-100

Fungal Diastase (1 : 2000) 50 mg + Pepsin (1 : 3000) 50 mg

- Packaging 100ML
- M.R.P Rs. 85

INDICATION: Fungal Diastase (1:2000) 50 mg + Pepsin (1:3000) 50 mg Suspension is indicated for the treatment of indigestion, bloating, loss of appetite, and flatulence. It helps improve digestion by breaking down starches and proteins, promoting better nutrient absorption, and relieving symptoms of digestive discomfort caused by enzyme deficiency or heavy meals.

Neolyco-Plus

Lycopene 2000 mcg + Niacinamide 25 mg + Folic 100 mcg + Zinc 3 mg + Multivitamin + Multimineral + Antioxidant

- Packaging 100ML
- M.R.P Rs. 92

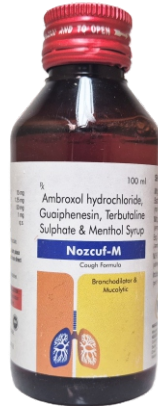

INDICATION: Lycopene 2000 mcg + Niacinamide 25 mg + Folic Acid 100 mcg + Zinc 3 mg with Multivitamin, Multimineral & Antioxidants Suspension is indicated for boosting immunity, improving overall health, supporting cell repair, and combating oxidative stress. It helps prevent nutritional deficiencies, enhances energy levels, and promotes healthy skin, hair, and metabolic functions.

NozcuF-M

Terbutaline 1.25 mg + Ambroxol 15mg +Guaiphenesin 50 mg + & Menthol 1.5 mg

- Packaging 100ML
- M.R.P Rs. 110

INDICATION: Terbutaline 1.25 mg + Ambroxol 15 mg + Guaiphenesin 50 mg + Menthol 1.5 mg Suspension is indicated for relief from productive cough, bronchial congestion, and respiratory tract infections. It helps loosen mucus, eases breathing, reduces airway inflammation, and soothes the throat, making it useful in bronchitis, asthma, and other obstructive airway disorders.

NOZCUF-AM

Levocetirizine 2.5 mg + Ambroxol 15mg + Guaiphenesin 50 mg + Menthol 1 mg

- Packaging 100ML
- M.R.P Rs. 130

INDICATION: Levocetirizine 2.5 mg + Ambroxol 15 mg + Guaiphenesin 50 mg + Menthol 1 mg syrup is indicated for relief from cough, chest congestion, allergic symptoms, and respiratory tract infections. It helps loosen mucus, ease breathing, and reduce allergy-related irritation.

Nozcid-MPS

Magaldrate 400 mg + Simethicone 20 mg + Oxtacain 10mg

- Packaging 170ML
- M.R.P Rs. 115

INDICATION: Magaldrate 400 mg + Simethicone 20 mg + Oxtacain 10 mg Suspension is used for quick relief from acidity, heartburn, indigestion, bloating, and gas. Magaldrate neutralizes excess stomach acid, Simethicone reduces gas and bloating, and Oxtacaine provides a soothing effect by numbing stomach pain and irritation caused by acid.

Neolyco-Plus

Lycopene 2000 mcg + Niacinamide 25 mg + Folic 100 mcg + Zinc 3 mg + Multivitamin + Multimineral + Antioxidant

- Packaging 200ML
- M.R.P Rs. 185

INDICATION: Lycopene 2000 mcg + Niacinamide 25 mg + Folic Acid 100 mcg + Zinc 3 mg with Multivitamin, Multimineral & Antioxidants Suspension is indicated for boosting immunity, improving overall health, supporting cell repair, and combating oxidative stress. It helps prevent nutritional deficiencies, enhances energy levels, and promotes healthy skin, hair, and metabolic functions.

Nozxit-GOLD

Ginseng 90 mg + Nicotinamide 5 mg + D- Pantothenate Calcium 5 mg + Folic acid 150 mcg + Copper Suphate 0.5 mg + Manganese Sulphate 0.5 mg + Zinc 10 mg + Multivitamin + Multimineral + Antioxidants

- Packaging 200ML
- M.R.P Rs. 210

INDICATION: This syrup, containing Ginseng, Nicotinamide, D-Pantothenate, Folic Acid, Copper, Manganese, Zinc, Multivitamins, Multimineral, and Antioxidants, is indicated to boost energy, enhance physical and mental performance, reduce fatigue, support immunity, improve metabolism, and aid recovery during stress, weakness, and nutritional deficiencies.

Platonoz

Herbal Carica Papaya Leaf Extract

- Packaging 200ML
- M.R.P Rs. 170

INDICATION: Herbal Carica Papaya Leaf Extract Syrup is indicated to help increase platelet count, support immune function, and aid in the management of dengue, chikungunya, and other viral infections. It also helps reduce fatigue, supports liver health, and promotes faster recovery from fevers and viral illnesses. Natural antioxidant properties help boost overall wellness.

Cyproin-200

Cyproheptadine HCl 2 mg + Tricholine Citrate 275 mg

- Packaging 200ML
- M.R.P Rs. 165

INDICATION: Cyproheptadine HCl 2 mg + Tricholine Citrate 275 mg Syrup is indicated to stimulate appetite and promote weight gain in individuals with poor appetite, malnutrition, or underweight conditions. It helps improve digestion and liver function, supports nutritional balance, and is commonly used in pediatric and adult patients with appetite loss or growth concerns.

Nozxit-200

Multivitamin Multimineral Antioxidant And Cyanocobalamin

- Packaging 200ML
- M.R.P Rs. 155

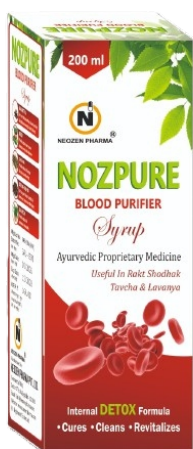

INDICATION: Multivitamin, multimineral, antioxidant, and cyanocobalamin syrup is indicated for the prevention and treatment of vitamin and mineral deficiencies. It supports overall health, boosts immunity, enhances energy levels, and aids in recovery from illness, fatigue, or stress. It is beneficial in anemia, poor diet, and during growth, pregnancy, or post-surgery recovery.

Nozpure-200

Herbal Blood Purifier

- Packaging 200ML
- M.R.P Rs. 175

INDICATION: Herbal Blood Purifier Syrup is indicated for detoxifying the blood and promoting healthy skin. It helps in treating acne, pimples, skin allergies, and boils by eliminating toxins from the bloodstream. It supports liver function, improves digestion, and boosts overall immunity. Regular use helps maintain clear, healthy skin and a toxin-free system.

LIV Neo-DS

A Complete Herbal Liver tonic for Health

- Packaging 200ML
- M.R.P Rs. 185

INDICATION: A Complete Herbal Liver Tonic for Health Syrup is indicated to support liver health, improve liver function, and aid in detoxification. It helps in conditions like fatty liver, jaundice, indigestion, and loss of appetite. Enriched with natural herbs, it promotes bile secretion, protects liver cells from damage, and enhances metabolism for overall wellness and vitality.

NozXvit-L

B-complex Vitamins With Lysine 37.5 mg + Cynocobalamin 2 mcg + Nicotinamide 15 mg + Pyridoxine hcl 0.75 mg in therapeutic Dosage

- Packaging 200ML
- M.R.P Rs. 155

INDICATION: This B-Complex Syrup with Lysine, Cyanocobalamin, Nicotinamide, and Pyridoxine is indicated for the treatment and prevention of vitamin B-complex deficiencies. It helps improve appetite, supports energy metabolism, boosts immunity, enhances growth in children, and promotes overall vitality. Useful during convalescence, pregnancy, or stress-related fatigue.

Efzyme-200

Fungal Diastase (1 : 2000) 50 mg + Pepsin (1 : 3000) 50 mg

- Packaging 200ML
- M.R.P Rs. 160

INDICATION: This syrup is indicated for improving digestion and treating digestive disorders such as indigestion, bloating, gas, and loss of appetite. Fungal Diastase helps break down starch into simple sugars, while Pepsin aids in protein digestion. Together, they enhance digestive efficiency, especially in conditions of enzyme deficiency or after heavy meals. Suitable for both adults and children as advised by a physician.

Efzyme-Plus

Fungal Diastase (1 : 2000) 50 mg + Pepsin (1 : 3000) 50 mg + B-complex Vitamins

- Packaging 200ML
- M.R.P Rs. 165

INDICATION: This syrup, containing Fungal Diastase, Pepsin, and B-complex vitamins is indicated to aid digestion and treat loss of appetite, indigestion, and bloating. It enhances protein and carbohydrate digestion while replenishing essential B-vitamins to boost energy, metabolism, and overall nutritional health. Ideal during recovery, weakness, and digestive disorders.

Ferinoz-XT

Ferrous Ascorbate 30 mg + Folic Acid 550 mcg

- Packaging 200ML
- M.R.P Rs. 160

INDICATION: This syrup is indicated for the prevention and treatment of iron deficiency anemia and folate deficiency. Ferrous Ascorbate helps increase iron levels, while Folic Acid supports red blood cell formation. Beneficial during pregnancy, lactation, and growth periods. Helps combat fatigue, weakness, and nutritional deficiencies due to poor diet or illness.

Heponoz

Nutrition Information : (Appr . values) Per Serving (Per 5ml) Carbohydrate 2g , Energy - 8 kcal . , Fat - 0.0g Each 5 ml . contains : , Silymarin - 35mg , L Ornithine L - Aspartate - 125mg , Thiamine Hcl - 1.5mg , Riboflavine - 1.5mg , Pyridoxine Hcl - 1.5mg , Niacinamide - 20mg , D Panthenol - 5mg , Vitamin B12 1mcg , Protein 10 % -20mg , In a flavoured syrupy q.s

- Packaging 200ML
- M.R.P Rs. 190

INDICATION: This syrup is indicated to support liver health and improve liver function. It aids in detoxification, manages hepatic disorders, and promotes regeneration of liver cells. Enriched with Silymarin, L-Ornithine L-Aspartate, and B-complex vitamins, it helps in improving metabolism, reducing fatigue, and supporting recovery in conditions like hepatitis, fatty liver, and liver damage.

Liv Neo-4g

Herbal Liver, Alkaliser, Enzyme + Antacid

- Packaging 225ML
- M.R.P Rs. 195

INDICATION: This Herbal Liver, Alkaliser, Enzyme & Antacid Syrup is indicated for liver detoxification, improving digestion, reducing acidity, and maintaining healthy pH balance. It supports liver function, relieves indigestion, heartburn, gas, and bloating, and helps in conditions like fatty liver, acidity, and gastric discomfort. Ideal for overall digestive and hepatic wellness.

Gynonew

Ginseng 90 mg + Nicotinamide 5 mg + D-Pantothenate Calcium 5 mg + Folic acid 150 mcg + Copper Sulphate 0.5 mg + Manganese Sulphate 0.5 mg + Zinc 10 mg + Multivitamin + Multiminerals + Antioxidants

- Packaging 225ML
- M.R.P Rs. 175

INDICATION: A complete uterine tonic syrup is indicated for supporting female reproductive health, regulating menstrual cycles, relieving menstrual cramps, and managing symptoms of hormonal imbalance. It helps tone and strengthen uterine muscles, improve fertility, and reduce fatigue, backache, and general weakness associated with menstruation and menopause.

Nozmeth forte

Methylcobalamin 100 mcg + Zinc 20 mg + Ferric Ammonium 60 mg + Selenium 60 mcg + Nicotinamide 10 mg + Magnesium + Folic Acid 500 mcg

- Packaging 300ML
- M.R.P Rs. 215

INDICATION: This syrup is indicated for treating and preventing vitamin and mineral deficiencies, especially in anemia, fatigue, and general weakness. It supports red blood cell formation, boosts immunity, aids nerve health, and improves energy metabolism. Beneficial in pregnancy, chronic illness recovery, and nutritional supplementation.

NozXvit-9g

Ginseng Extract-42.5mg, Ginkgo Biloba-20 mg, Green Tea Extract-10mg, Grape Seed Extract-10mg, Garlic Extract-2mg, Guggul-5mg, Glycyrrhiza Glabra-5mg, Green Coffee, 10mg, Ginger Root Extract-10mg, Lycopene 10%-2000mcg, Methylcobalamin-500mcg, Inositol-10 mg, Calcium-75mg, Phosphorus-58mg, Vitamin C-50mg, Elemental ,inc-22.5 mg, Niacinamide-10mg, D-Panthenol-5mg, Vitamin E acetate-5mg, Vitamin A Palmitate-2500iu, Ferric Ammonium Citrate-30mg, Magnesium , Sulphate-3mg, Potassium sulphate-2mg, Manganese chloride-0.5mg, Copper sulphate-0.5mg, Sodium selenate-35mcg, Beta Carotene-38mg, Molybdenum-8mcg, L-lysine-150mg, Biotin-10mcg, Chromium-10mcg, Potassium Iodide-0.1mg, Folic acid 0.15 mg, Sorbitol base-40%,

- Packaging 300ML
- M.R.P Rs. 205

INDICATION: This syrup is indicated for enhancing overall health and vitality. It supports energy levels, brain function, heart health, immunity, and antioxidant defense. Beneficial in stress, fatigue, nutritional deficiencies, and during recovery. Rich in multivitamins, multiminerals, herbal extracts, amino acids, and antioxidants for complete wellness support.

MVS-CHERRY

Ferric Ammonium Citrate, Folic Acid Vitamin B12 & Zinc Sulphate

- Packaging 300ML
- M.R.P Rs. 205

INDICATION: This syrup is indicated for the treatment and prevention of iron deficiency anemia, especially in growing children, pregnant and lactating women. Ferric Ammonium Citrate restores iron levels, Folic Acid and Vitamin B12 aid in red blood cell formation, and Zinc supports immune function and overall growth. Helps improve appetite, energy, and vitality.

Nozcal-D3 NANO SHOT

Cholecalciferol 60,000 IU

- Packaging 4X5ML
- M.R.P Rs. 90

INDICATION: Cholecalciferol 60,000 IU Syrup is indicated for the treatment and prevention of Vitamin D3 deficiency, rickets, and osteomalacia. It helps in calcium absorption, promotes bone health, and supports immune function. Ideal for individuals with low sun exposure, elderly, and those with dietary insufficiencies. Aids in maintaining strong bones and teeth.

Nozcal 200

Calcium Magnesium Zinc & Vitamin D3 Syrup

- Packaging 200ML
- M.R.P Rs. 175

INDICATION: Calcium Magnesium Zinc & Vitamin D3 Syrup supports bone health, improves calcium absorption, strengthens teeth, and helps prevent deficiencies. It is beneficial in growing children, adults, and elderly for maintaining strong bones, muscles, and overall wellness.

Nozcef-50mg

Cefixime Trihydrate 50 mg/5ml

- Packaging 30 ML(With WFI)
- M.R.P Rs. 54.40

INDICATION: Cefixime Trihydrate 50 mg/5ml Dry Syrup is indicated for the treatment of bacterial infections such as respiratory tract infections, urinary tract infections, otitis media, pharyngitis, and tonsillitis. It is a third-generation cephalosporin antibiotic effective against a broad range of Gram-positive and Gram-negative bacteria in pediatric patients.

Nozcef-100mg

Cefixime Trihydrate 100 mg/5ml

- Packaging 30 ML(With WFI)
- M.R.P Rs. 81.60

INDICATION: Cefixime Trihydrate 100 mg/5ml Dry Syrup is indicated for treating various bacterial infections including respiratory tract infections, urinary tract infections, otitis media, pharyngitis, tonsillitis, and typhoid fever. It is a third-generation cephalosporin antibiotic effective against both Gram-positive and Gram-negative bacteria in children.

Nozpod-50mg

Cefpodoxime Proxetil 50 mg/5ml

- Packaging 30 ML(With WFI)
- M.R.P Rs. 85

INDICATION: Cefpodoxime Proxetil 50 mg/5ml Dry Syrup is indicated for the treatment of bacterial infections such as respiratory tract infections, otitis media, pharyngitis, tonsillitis, skin and soft tissue infections, and urinary tract infections. It is a third-generation cephalosporin antibiotic effective against a wide range of Gram-positive and Gram-negative bacteria in children.

Nozmox-CV DS

Amoxicillin 200mg + Clavulanic Acid 28.5mg/5ml

- Packaging 30 ML(With WFI)
- M.R.P Rs. 69.20

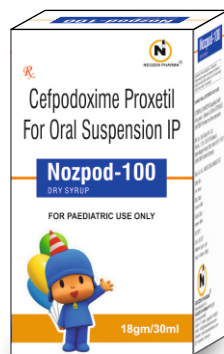

INDICATION: Amoxicillin 200mg + Clavulanic Acid 28.5mg/5ml Dry Syrup is indicated for the treatment of bacterial infections such as respiratory tract infections, otitis media, sinusitis, skin infections, and urinary tract infections. Clavulanic acid enhances the efficacy of amoxicillin by inhibiting beta-lactamase enzymes produced by resistant bacteria.

Nozpod-100mg

Cefpodoxime Proxetil 100 mg/5ml

- Packaging 30 ML(With WFI)
- M.R.P Rs. 145

INDICATION: This syrup is indicated to support liver health and improve liver function. It aids in detoxification, manages hepatic disorders, and promotes regeneration of liver cells. Enriched with Silymarin, L-Ornithine L-Aspartate, and B-complex vitamins, it helps in improving metabolism, reducing fatigue, and supporting recovery in conditions like hepatitis, fatty liver, and liver damage.

Nozpod-CV DS

Cefpodoxime Proxetil 50 mg + Clavulanic Acid 31.25

- Packaging 30 ML(With WFI)
- M.R.P Rs. 142

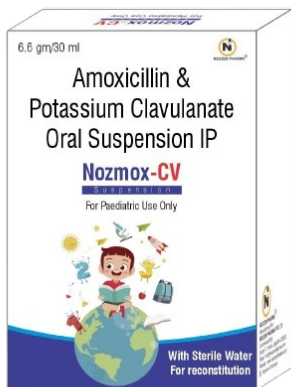

INDICATION: Cefpodoxime Proxetil 50 mg + Clavulanic Acid 31.25 mg Dry Syrup is indicated for the treatment of respiratory tract infections, otitis media, skin and soft tissue infections, urinary tract infections, and other bacterial infections. Clavulanic acid inhibits beta-lactamase enzymes, enhancing the antibiotic activity of cefpodoxime against resistant bacteria.

Nozmox-CV DDS

Amoxicillin 400mg + Clavulanic Acid 57 mg/5ml

● Packaging 30 ML (With WFI)

● M.R.P Rs. 145

INDICATION: Amoxicillin 400mg + Clavulanic Acid 57mg/5ml Dry Syrup is indicated for treating respiratory tract infections, otitis media, sinusitis, skin infections, and urinary tract infections. Clavulanic acid enhances amoxicillin's efficacy by inhibiting beta-lactamase enzymes, making it effective against resistant bacterial strains. Suitable for pediatric use.

Nozcef - O

Cefixime & Ofloxacin Oral Suspension

● Packaging 30ML

● M.R.P Rs. 125

INDICATION: Cefixime & Ofloxacin Oral Suspension is used to treat a wide range of bacterial infections, including respiratory, urinary, and gastrointestinal infections. It provides broad-spectrum action against resistant bacteria and supports fast recovery in children.

Pannoz-40

Pantoprazole Sodium 40 mg SWFI

- Packaging Single
- M.R.P Rs. 53,80

INDICATION: Pantoprazole Sodium 40 mg SWFI Injection is indicated for the short-term treatment of gastroesophageal reflux disease (GERD), erosive esophagitis, Zollinger-Ellison syndrome, and conditions involving excessive stomach acid production.

Pipneo-T 4.5

Piperacillin 4000 mg + Tazobactam 500 mg

- Packaging Single
- M.R.P Rs. 447.30

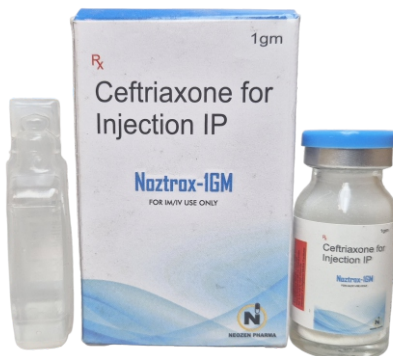

INDICATION: Piperacillin 4000 mg + Tazobactam 500 mg Injection is indicated for the treatment of moderate to severe bacterial infections including respiratory tract infections, urinary tract infections, intra-abdominal infections, skin infections, and septicemia.

Noztrax 1Gm

Sterile Ceftriaxone Sodium 1000 mg SWFI

- Packaging Single
- M.R.P Rs. 69.86

INDICATION: Sterile Ceftriaxone Sodium 1000 mg Injection is indicated for the treatment of serious bacterial infections such as respiratory tract infections, urinary tract infections, skin infections, intra-abdominal infections, septicemia, meningitis, and bone/joint infections. It is also used for perioperative prophylaxis and infections caused by susceptible organisms.

Cefonoz-1.5 SL

Sterile Cefoperazone Sodium 1000 mg + Sulbactam Sodium 500 mg

- Packaging Single
- M.R.P Rs. 350

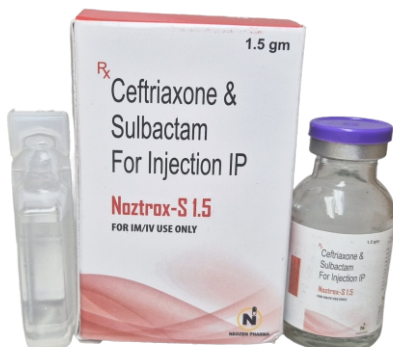

INDICATION: Amoxicillin 200mg + Clavulanic Acid 28.5mg/5ml Dry Syrup is indicated for the treatment of bacterial infections such as respiratory tract infections, otitis media, sinusitis, skin infections, and urinary tract infections. Clavulanic acid enhances the efficacy of amoxicillin by inhibiting beta-lactamase enzymes produced by resistant bacteria.

Noztrax S 1.5Gm

Sterile Ceftriaxone Sodium 1000 mg + Sulbactam Sodium 500 mg

- Packaging Single
- M.R.P Rs. 190

INDICATION: Sterile Ceftriaxone 1000 mg + Sulbactam 500 mg Injection is indicated for the treatment of bacterial infections including respiratory tract infections, urinary tract infections, skin and soft tissue infections, bone and joint infections, abdominal infections, and gynecological infections. Sulbactam enhances efficacy by inhibiting beta-lactamase enzymes.

Noztrax-TZ

Sterile Ceftriaxone Sodium 1000 mg + Tazobactam 1.125 gm

- Packaging Single
- M.R.P Rs. 220

INDICATION: Ceftriaxone 1000 mg + Tazobactam 125 mg Injection is indicated for the treatment of severe bacterial infections including respiratory tract infections, urinary tract infections, skin and soft tissue infections, intra-abdominal infections, and septicemia.

Nozmyth-2500

Methylcobalamin 2500 mcg

- Packaging Single
- M.R.P Rs. 95.50

INDICATION: Methylcobalamin 2500 mcg Injection is indicated for the treatment of Vitamin B12 deficiency, peripheral neuropathy, diabetic neuropathy, and megaloblastic anemia. It supports nerve regeneration, improves neurological function, and helps in the formation of red blood cells. Also used in cases of fatigue, weakness, and certain neurological disorders.

Nozmyth-1500

Methylcobalamin 1500 mcg

- Packaging Single
- M.R.P Rs. 75

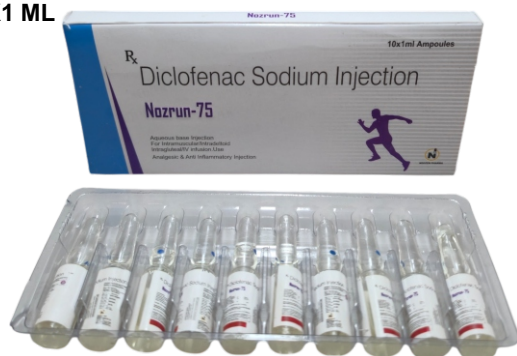

INDICATION: Methylcobalamin 1500 mcg Injection is indicated for the treatment of Vitamin B12 deficiency, neuropathies (such as diabetic and peripheral neuropathy), and megaloblastic anemia. It supports nerve health, enhances neurological function, and aids in red blood cell formation. Also used to manage fatigue, weakness, and neurodegenerative conditions.

Nozrun-75

Diclofenac Sodium 75 mg

- Packaging 10X1 ML
- M.R.P Rs. 250

INDICATION: Diclofenac Sodium 75 mg Injection is indicated for the management of acute pain, inflammatory conditions, and post-operative pain. It provides rapid relief in musculoskeletal disorders, arthritis, spondylitis, and injury-related swelling. It works by reducing inflammation, pain, and fever through inhibition of prostaglandin synthesis.

Nozmyth Plus

Methylcobalamin 1000mcg + Thiamine Hcl 100mg + Pyridoxine Hcl 100mg + Nicotinamide 100mg + D-Panthenol 50 mg

- Packaging Single
- M.R.P Rs. 126.50

INDICATION: Methylcobalamin 1000mcg + Thiamine HCl 100mg + Pyridoxine HCl 100mg + Nicotinamide 100mg + D-Panthenol 50mg Injection is indicated for the treatment of vitamin B-complex deficiencies, peripheral neuropathy, neuritis, alcoholic neuropathy, and general weakness. It helps restore nerve function, boosts energy metabolism, and improves neurological health.

Cefonoz-1.125 tz

Sterile Cefoperazone Sodium 1000 mg + Tazobactam 125mg

- Packaging Single
- M.R.P Rs. 380

INDICATION: Sterile Cefoperazone Sodium 1000 mg + Tazobactam 125 mg Injection is indicated for the treatment of moderate to severe bacterial infections, including respiratory tract infections, urinary tract infections, skin and soft tissue infections, intra-abdominal infections, and septicemia. Tazobactam enhances the effectiveness of Cefoperazone against beta-lactamase producing bacteria.

Nozpred-80

Methylprednisolone 80 Mg Injection

- Packaging Single
- M.R.P Rs. 104

INDICATION: Methylprednisolone 80 mg Injection is indicated for the treatment of severe allergic reactions, asthma, rheumatoid arthritis, lupus, multiple sclerosis flare-ups, and other inflammatory or autoimmune conditions. It helps reduce inflammation, suppress the immune response, and manage symptoms in acute and chronic conditions requiring corticosteroid therapy.

Scabneo-Soap

Permethrin 1%

● Packaging 75GM

● M.R.P Rs. 115

INDICATION: Permethrin 1% Soap is indicated for the treatment of scabies and lice infestations. It works by paralyzing and killing mites, lice, and their eggs on the skin. This medicated soap helps relieve itching, irritation, and skin discomfort associated with parasitic infections. It is for external use only and should be used as directed by a healthcare professional.

Kjifast-Soap

Ketoconazole Soap 2% w/w & Cetrimide 0.5% w/w

● Packaging 75GM

● M.R.P Rs. 220

INDICATION: Ketoconazole 2% Soap is indicated for the treatment of fungal infections of the skin such as dandruff, seborrheic dermatitis, ringworm, athlete's foot, and jock itch. It helps relieve itching, flaking, and scaling by inhibiting fungal growth. Suitable for daily use as directed by a healthcare provider. For external use only.

Kigon-Soap

Itraconazole 1% Soap

● Packaging 75GM

● M.R.P Rs. 223

INDICATION: Itraconazole 1% Soap is indicated for the treatment of fungal skin infections such as ringworm, athlete's foot, jock itch, and seborrheic dermatitis. It helps eliminate fungi by disrupting their cell membrane, relieving symptoms like itching, redness, and irritation. For external use only. Use regularly as directed by a physician for best results.

Skin-Soap

Permethrin 1%

● Packaging 75GM

● M.R.P Rs. 230

INDICATION: Permethrin 1% Soap is used to treat scabies and lice infestations. It kills mites and their eggs, relieves itching, and helps clear skin irritation caused by scabies. Suitable for external use to reduce infection spread and promote skin healing.

Orthoz-Oil

Herbal Pain Relief Oil

● Packaging 60ML

● M.R.P Rs. 110

INDICATION: Herbal Pain Relief Oil is indicated for the relief of joint pain, muscle stiffness, backache, sprains, and body aches. Enriched with natural herbs, it provides deep penetration, reduces inflammation, and improves blood circulation. Ideal for arthritis, sports injuries, and everyday pain. Safe for regular use with no known side effects. Suitable for external use only.

Rumex-Pain Oil

Herbal Pain Relief Oil

● Packaging 60ML

● M.R.P Rs. 190

INDICATION: Herbal Pain Relief Oil is indicated for the relief of joint pain, muscle stiffness, backache, sprains, and body aches. Enriched with natural herbs, it provides deep penetration, reduces inflammation, and improves blood circulation. Ideal for arthritis, sports injuries, and everyday pain. Safe for regular use with no known side effects. Suitable for external use only.

Ketodram-K5 Cream

Ketocanazole 20 mg, Iodochlorhydroxyquinoline 10mg, Clobetasol 0.5 mg, Propionate, Gentamicin Sulphate 1.0 mg & Chlorocresol cream

- Packaging 15GM
- M.R.P Rs. 115

INDICATION: This cream is indicated for the treatment of fungal and bacterial skin infections, inflammation, itching, redness, and eczema. It combines antifungal, antibacterial, and corticosteroid properties to effectively relieve symptoms of dermatitis, ringworm, athlete's foot, and infected skin conditions. For external use only under medical supervision.

Candinoz-Plus Cream

Ofloxacin 0.75% + Ornidazole 2.0% + Itraconazole 1% w/w + Clobetasol Propionate 0.05% + Methyl Paraben 0.20%

- Packaging 15GM
- M.R.P Rs. 115

INDICATION: This cream is indicated for the treatment of mixed fungal and bacterial skin infections with inflammation. It provides broad-spectrum antifungal, antibacterial, and anti-inflammatory action, effectively relieving symptoms like redness, itching, and swelling in conditions such as dermatitis, candidiasis, tinea, and infected eczema. Use under medical supervision.

Nozrun-Gel Cream

Diclofenac Diethylamine, Methyl Salicylate, Linseed Oil & Menthol Gel

- Packaging 30GM
- M.R.P Rs. 115

INDICATION: Diclofenac Diethylamine, Methyl Salicylate, Linseed Oil & Menthol Gel is indicated for relief from muscle and joint pain, sprains, strains, backache, sports injuries, and arthritis. It reduces pain, swelling, and improves mobility with a cooling effect.

Gasoin-Drop

Methylcobalamin 1000mcg + Thiamine Hcl 100mg + Pyridoxine Hcl 100mg + Nicotinamide 100mg + D-Panthenol 50 mg

- Packaging 30ML
- M.R.P Rs. 80

INDICATION: This flavored suspension drop is indicated for the relief of infantile colic, gas, bloating, and abdominal discomfort. Simethicone helps break up gas bubbles, while Dill oil and Fennel oil aid digestion and reduce gastrointestinal spasms. Safe for infants and children; use as directed by a physician.

Neo-Shine

Hydroquinone Tretinoin & Mometasone Furoate Cream

- Packaging 24X20GM
- M.R.P Rs. 165

INDICATION: Hydroquinone Tretinoin & Mometasone Furoate Cream is indicated for the short-term treatment of mild to moderate melasma. It helps reduce scars, marks, blemishes, and dark circles under the eyes. It should always be used along with sun-avoidance measures, like using sunscreens and wearing protective clothing.

Protinoz-Pro

Protein Powder (Sugar Free) Chocolate Flavour

- Packaging 200GM
- M.R.P Rs. 480

INDICATION: Protein Powder (Sugar Free) Chocolate Flavour is indicated for supporting muscle growth, strength, and recovery. It helps meet daily protein requirements, supports weight management, improves stamina, and is suitable for diabetics and fitness-conscious individuals.
